

Subcontractor Profile

Thank you for your interest in veterinary relief services through Visiting Veterinary Angels.

Visiting Veterinary Angels believes in providing the best care for our patients, clients, and the hospitals we serve. We value the veterinary professionals who work for us, and the hospital teams who trust in our services. We uphold the highest level of client care and appreciate the difference we make to the parties we serve. We are committed to the veterinary profession and its impact on our society, and are here to help our hospitals and subcontractors achieve professional excellence.

We offer opportunities for feedback to our clinics and subcontractors to support personal and professional growth and development. We promote a healthy work-life balance and are here to support our veterinary subcontractors and clinics in every way possible.

Please complete this request form and return to VisitingVetAngels@gmail.com. Then, we will forward the Visiting Veterinary Angels Hospital Subcontractor Agreement. Thank you for your interest. We look forward to working with you!

Best Regards-

Heather Fees, DVM
Founder, Visiting Veterinary Angels
office: (614) 699-1110

Subcontractor Profile

The information provided will be given to the various hospitals you will be serving through Visiting Veterinary Angels.

All veterinarians are independent contractors and are required to have current licenses in the states in which they practice. You are also required to have your own malpractice insurance and DEA licensure. Accreditation is recommended.

Please fill out this form as thoroughly as possible. This will aid us in matching you with appropriate hospitals and available shifts.

General Information	
Name	
Address:	
Years in Practice:	
Current State Licensures (State and number)	
DEA license expiration	
USDA Accreditation current?	

Subcontractor Profile

	Contractor Skills and Preferences		
	YES	NO	COMMENT
Perform routine spay/neuters?			
Willing to work in high volume spay/neuter?			
Do you work on exotics/pocket pets?			
Do you perform dentals including extractions?			
Comfortable with ER work? Overnight shifts?			
Are you comfortable with ER surgery? (GDV, FB)			
Any procedures you are ethically opposed to or otherwise uncomfortable doing?			
Are you willing to travel more than 45 min one way to a job? If so how far?			
Would you be willing to take assignments that may require you to be 'out of town' for several days?			

Subcontractor Profile

Ideally, how many shifts per month would you like to do? <i>*You are not required to do any amount*</i>			
What days of the week are you available?			
Would you consider working holidays (increased hourly rate) and if so which ones?			
Special skills/interests?			

Is there anything else you would like us to know about you? Please feel free to list any additional experience or information not listed above that may assist us in matching you with clinics.
